

## Alternative Benefit Systems Mobile App

The Mobile App from Alternative Benefit Systems (ABS) is a tool that will allow you to easily access your benefit information through your mobile device. You can check your account balances, and submit claims.

Note that you must already have a valid login for ABS's user portal online to use the myRSC App. Contact [support@alternative-benefit.com](mailto:support@alternative-benefit.com) to receive instructions on registering the first time if you have not used the online user portal found at our website.

### Getting Started

The quickest way to get started is by going to the App Store for your device, and search for **Alternative Benefit Systems**. The app may then be downloaded and installed to your device.

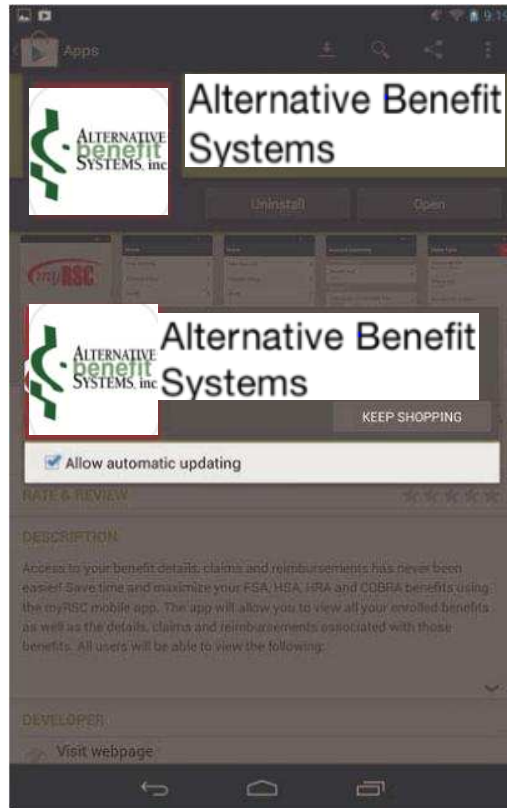

Note that all screen-shots may vary depending on which device you are using. Sample information shown may not be identical.

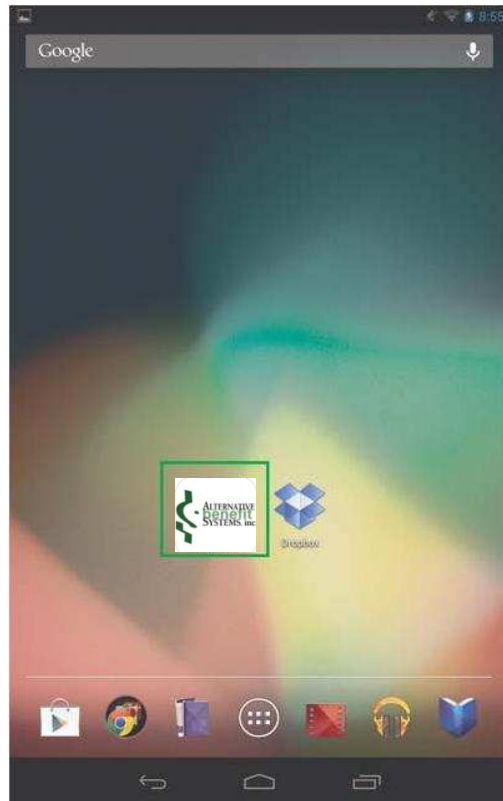

The Permissions that are necessary will display.

Choose whether you would like for the Mobile App to automatically update.

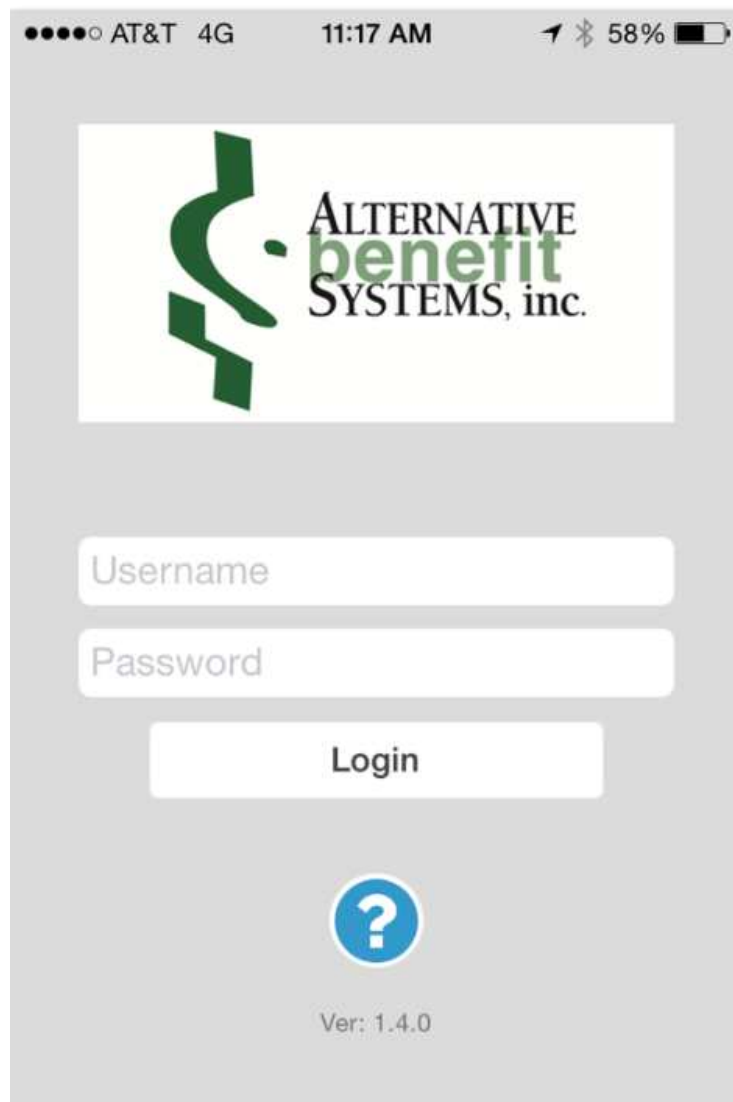

The App will now be installed on your device and may be accessed from your apps list or desktop icons.

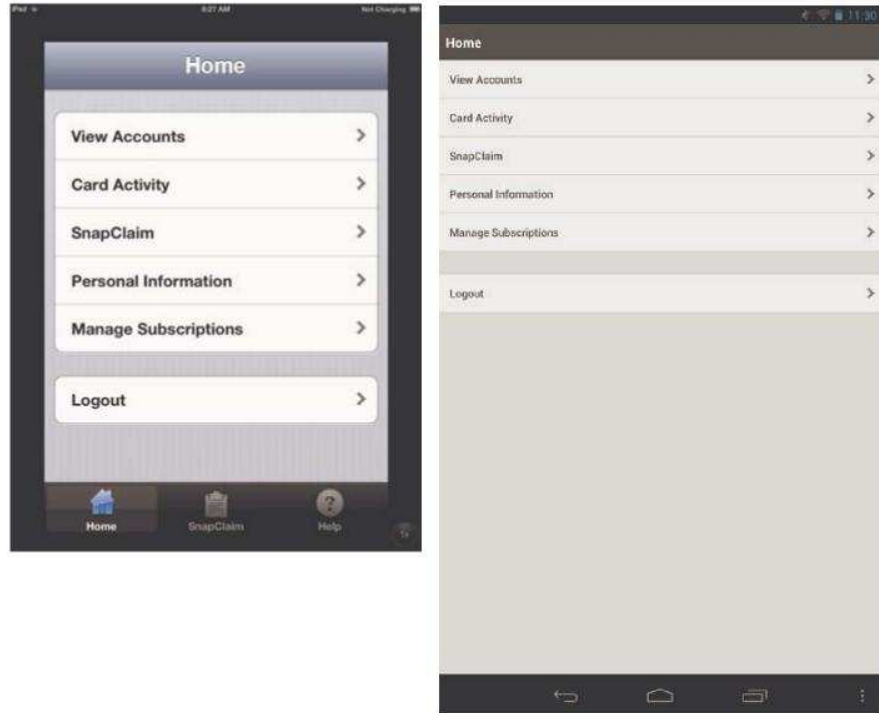

Note that the icon may appear different

Upon opening the App, the login screen will display; you will enter the login and password that you would normally use when logging in to Alternative Benefit Systems online user portal.

## Home Screen

Upon logging in, the Home screen will display with options for you to select.

**View Accounts** - View your HRA, FSA and HSA balances and details, taking you to the Account Summary page.

**Card Activity** - View your card transactions and card details.

**Snap Claim** - Take photos of Receipts with your mobile device to upload and attach to a claim.

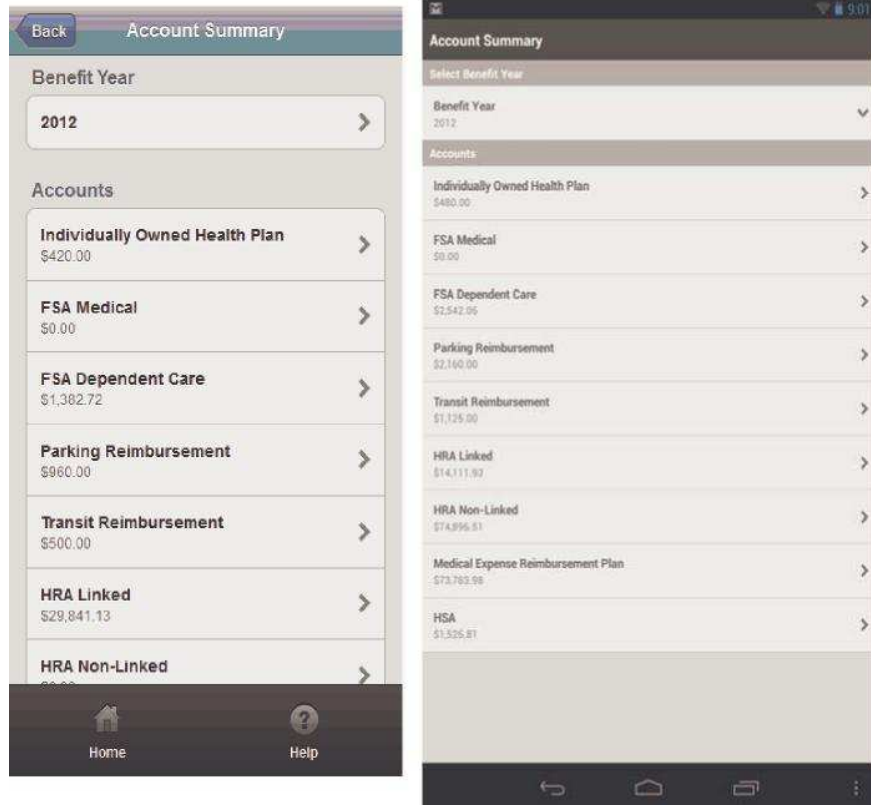

**Personal Information** - View or edit your Personal Information.

**Manage Subscriptions** - Change your email and notifications settings.

**Logout** - Log out of the Mobile App.
